

(546)

INDIGENOUS VASCULAR PLANTS OF MAKIRIKIRI SCENIC
RESERVE, HAWKE'S BAY

Grid Ref. N145, 555 507; altitude 700 ft.

J F Findlay, Makotuku, Dannevirke, R D 7.
(Based on visits July 1981 and Sept 30, 1982).

Gymnosperm trees

Dacrydium cupressinum
Podocarpus dacrydioides
Podocarpus spicatus
Podocarpus totara

Monocot trees

Cordyline australis

Dicot trees and shrubs

Alectryon excelsus
Carpodetus serratus
Elaeocarpus dentatus
E. hookerianus
Hoheria sexstylosa
Lophomyrtus obcordata
L. bullata
Neomyrtus pedunculata
Melicytus ramiflorus
Melicytus micranthus
Melicope simplex
Myrsine australis
Nestegis cunninghamii
N. lanceolata
Paratrophis microphylla
Pennantia corymbosa
Pittosporum eugenioides
P. tenuifolium
Pseudopanax anomalus
P. crassifolius
Schefflera digitata
Sophora microphylla
Brachyglottis repanda
Coprosma grandifolia
C. areolata
C. rotundifolia
C. crassifolia
C. rigida
C. rhamnoides
Leptospermum ericoides
L. scoparium
Leucopogon fasciculatus

Dicot lianes

Metrosideros diffusa
 Meuhlenbeckia australis
 M. complexa
 Parsonsia heterophylla
 P. capsularis
 Rubus australis
 R. schmidelioides

Ferns

Asplenium flaccidum
 A. bulbiferum
 A. gracillimum
 Blechnum capense
 B. chamberdi
 B. fluviatile
 Gatheia smithii
 Dicksonia fibrosa
 D. squarosa
 Histiopteris incisa
 Hymenophyllum demissum
 Leptopteris hymenophylloides
 Pellaea rotundifolia
 Polystichum richardi
 Pneumatopteris pennigera
 Pteridium esculentum
 Phymatosorus diversifolius

Sedges

Carex virgata
 C. lambertiana
 C. unnamed aff. C. geminata
 Uncinia scabra
 U. uncinata
