

Ratapihipihi Scenic Reserve

Wanganui Plant List No. 198

A. Hawcroft and G. La Cock, 27 October 2005

This list was compiled during a walk around the loop tracks at Ratapihipihi with Barbara Curtis, to assist with her plans for developing that track. It accompanies WANCO-44185.

u = uncommon

p = planted only

p+ = planted and naturally occurring here

* = exotic species (exotic species were not listed systematically, but those thought to have weed potential were noted)

Grid ref: P19 008 328

Gymnosperm

- Dacrydium cupressinum (rimu)
- Dacrycarpus dacrydioides (kahikatea)
- Prumnopitys ferruginea (miro)

Dicot trees and shrubs

- P Agathis australis (kauri)
- Alectryon excelsus (titoki)
- Alseuosmia macrophylla (karapapa)
- Aristotelia serrata (makomako, wineberry)
- Beilschmiedia tawa (tawa)
- Brachyglottis repanda (rangiora)
- Coprosma areolata
- Coprosma grandifolia (kanono)
- Coprosma rhamnoides
- Coprosma robusta (karamu)
- Corynocarpus laevigatus (karaka)
- Dysoxylum spectabile (kohekohe)
- Fuchsia excorticata (kotukutuku)
- Geniostoma rupestre (hangehange)
- Griselinia littoralis (puka) epiphytic.
- Hebe stricta (koromiko)
- Hedycarya arborea (pigeonwood)
- Hoheria populnea var. (lacebark)
- Knightia excelsa (rewarewa)
- Laurelia novae-zelandiae (pukatea)
- Macropiper excelsum (kawakawa)
- Melicytus ramiflorus (mahoe)
- Myrsine australis (mapou)
- P Nothofagus menziesii (silver beech)
- Pennantia corymbosa (kaikomako)
- Pittosporum tenuifolium var. tenuifolium (black matipo)
- Pseudopanax crassifolius (lancewood)

Rhabdothamnus solandri (taurepo, NZ gloxinia)
Schefflera digitata (pate, seven-finger)
Solanum aviculare (poroporo)
Streblus heterophyllus (milktree)
Vitex lucens (puriri)

Dicot lianes

Calystegia tuguriorum (native convolvulus)
Metrosideros diffusa
Metrosideros fulgens (scarlet rata vine)
Metrosideros perforata
Muehlenbeckia australis (pohuehue)
Parsonsia heterophylla (NZ jasmine)

Monocot trees

Rhopalostylis sapida (nikau palm)
Cordyline australis (cabbage tree)

Monocot lianes

Freycinetia baueriana subsp. banksii (kiekie)
Ripogonum scandens (supplejack)

Grasses

Microlaena avenacea (bush ricegrass)

Sedges

Uncinia species

Monocot herbs, other than sedges & grasses

CollospERMUM hastatum (perching lilly)
Corybas trilobus (spider orchid)
Earina mucronata (a perching orchid)
P Phormium tenax (flax)
Pterostylis banksii (a greenhood orchid)
* Tradescantia fluminensis (wandering jew)

Ferns and fern allies

Asplenium flaccidum (hanging spleenwort)
Asplenium bulbiferum subsp. gracillium (hen and chickens fern)
Asplenium oblongifolium (shining spleenwort)
Asplenium polyodon (sickle spleenwort)
Blechnum chambersii
Blechnum filiforme (thread fern)
Blechnum membraceanum
Blechnum novae-zelandiae (kiokio)
Cyathea medullaris (mamaku)
Dicksonia squarrosa (wheki)

Diplazium australe
Hymenophyllum demissum (filmy fern)
Lastreopsis hispida (hairy fern)
Lastreopsis microsora
Leptopteris hymenophylloides
Microsorium pustulatus (hounds tongue fern)
Microsorium scandens (climbing hounds tongue)
Pneumatossorus pennigera (gully fern)
Pteris macilenta
Pyrrhosia eleagnifolia
Selaginella kraussiana (African clubmoss)
Trichomanes reniforme (kidney fern)

Dicot herbs

- Cardamine debilis agg. (native cress)
- * Duchesnea indica (indian strawberry)
- Hydrocotyle heteromeria (waxweed)
- * Phytolacca octandra (inkweed)
- * Solanum nigrum (black nightshade)
- * Stachys sylvatica (hedge woundwort)
