

INDIGENOUS HIGHER PLANTS (PSILOPOIDS, LYCOPODS, FERNS, GYMNOSPERMS, FLOWERING PLANTS) OF RAUKUMARA RANGE AND ADJACENT AREAS, 100-1750 M (300-5753 FT) (BUT EXCLUDING MT PUKEAMARU - LIST 46)

A.P. Druce, Wellington, August 1992

(Based on observations 1949-1988)

Plants listed for Mts Hikurangi, Whanakao, Aorangi, Wharekia and Taitai (list no. 75, attached) plus those additional plants listed below on page 2. †

No. of species on list 75 : 487.

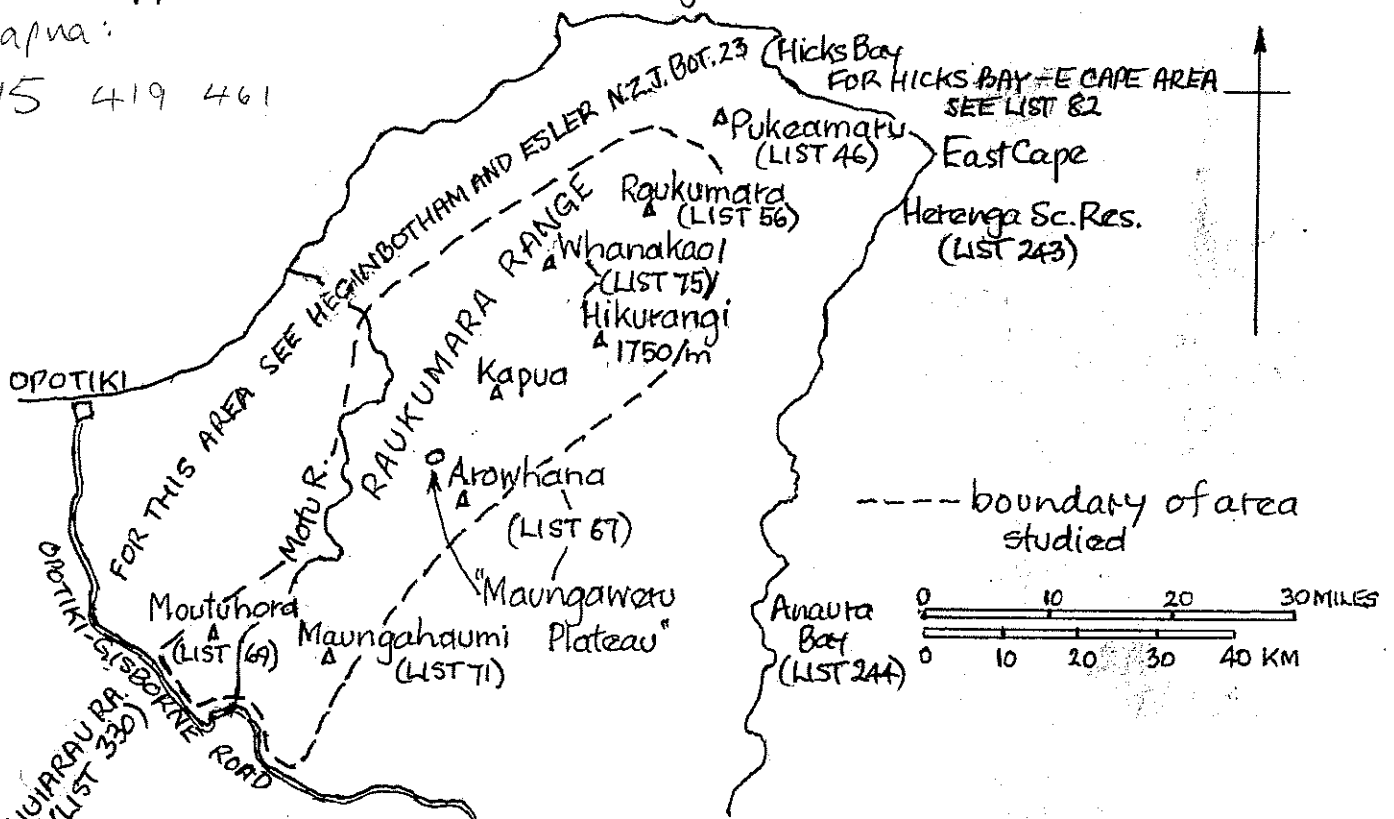

No. of additional species : 29.

Total no. of species : 516.

† The areas investigated include Mts Maungahaumi, Arowhana, Kapua, Raukumara, Moutuhora, upper Motu R., and "Maungawetu Plateau"

Kapua:

Y15 419 461

## Additional plants

### DICOT SHRUBS

*Coprosma propinqua*  
*C.p. x C. robusta*  
*C. rubra*  
*Hebe* sp. (i) (*Veronica salicifolia*  
 var. *angustissima*)  
*H.* sp. (ii) (unnamed)

*Olearia cheesemanii*

### PSILOPSIDS AND LYCOPODS

*Tmesipteris lanceolata*  
*Lycopodium laterale* (incl. *L.*  
*ramulosum*)

### FERNS

*Dicksonia fibrosa*  
*Grammitis pseudociliata*  
*Pteris pendula*  
*Schizaea australis*

### ORCHIDS

*Caladenia lyallii*

### SEDGES

*Carex sinclairii*  
*C. spinitostris*  
*Isolepis inundatus*  
*Schoenus maschalinus*

### RUSHES AND ALLIED PLANTS

*Centrolepis ciliata*  
*Juncus planifolius*  
*Luzula subclavata*

### COMPOSITE HERBS

*Craspedia minor* var. *minor* (incl. *C.*  
*major*)  
*C.* sp. (unnamed; aff. *C. minor* and *C.*  
*viscosa*)  
*Gnaphalium* sp. (unnamed; aff. *G.*  
*limosum*)

### DICOT HERBS OTHER THAN COMPOSITES

*Dioscorea spathulata*  
*Hydrocotyle elongata*  
*H. heterometra*  
*Jovellana repens*  
*Myosotis* sp. (unnamed; included in  
*M. petiolata*, as var. *pottsiana*, by  
 Moore 1961)  
*Parahebe diffusa* ssp. *diffusa*  
*Ranunculus membranifolius*
