

SPECIES LIST - WARD ISLAND

- | | |
|-----------------------------|----------------------------|
| Anagallis arvensis | N Hebe spp. |
| N Apium australe | Holcus lanatus |
| N Asplenium flaccidum | Hordeum murinum |
| N Atriplex prostrata | N Hymenanchera crassifolia |
| Bromus willdenowii | Lavatera arborea |
| N Calystegia soldanella | Lupinus arboreus |
| Carpobrotus edulis | N Luzula banksiana |
| N Cassinia leptophylla | Lycium ferocissimum |
| Chrysanthemoides monolifera | N Metrosideros excelsa |
| N Colobanthus muelleri | N Muehlenbeckia complexa |
| N Coprosma propinqua | N Myoporum laetum |
| N C. repens | Parapholis incurva |
| N Cordyline australis | N Phormium cookianum |
| N Corokia sp. | N Pittosporum crassifolium |
| N Corynocarpus laevigatus | Polycarpon tetraphyllum |
| N Crassula sieberiana | N Pteridium esculentum |
| Crepis capillaris | N Raphanus acaulis |
| N Dacrydium dacrydiodes | Raphanistrum sp. |
| (seedling) | Sambucus nigra |
| Dactylis glomerata | N Sarcocornia quinqueflora |
| N Disphyma australe | N Scirpus nodosus |
| N Einadia triandra | N Senecio lautus |
| N Elymus rectisetus | Solanum nigrum |
| N Festuca arundinaceae | N Spergularia maritima |
| Fumaria muralis | S. rubra |
| Galium aparine | N Tetragonia trigyna |
| Glaucium flavum | Vicia sativa ssp. sativa |
